Sales Veteran Grant Kirk Joins Static Control Sales Team

Sanford, N.C. – (January 29, 2018) – Static Control is pleased to announce the addition of Grant Kirk to its North American sales team. Kirk will serve as a Business Development Manager.

Kirk comes to Static Control with more than 12 years of sales management experience, a decade of which was spent exclusive to the imaging industry. He has previously held positions at Nukote International and West Point Products in various sales roles, most recently Senior Account Manager.

“I’ve been impressed with the sales team that Static Control has been assembling, along with the history, reputation and the people of Static Control,” said Kirk. “To me, Static Control provides the best platform for success. I’m very fortunate for this opportunity and I look forward to helping to contribute to the overall success of the organization.”

Static Control’s Vice President of North American Sales Bryan Bonacum is excited for the new addition. “Grant is an excellent sales leader who brings a lot to the table, especially in managing strategic accounts and executive level relationships. He will be a great asset to our team.”

In his spare time, Kirk enjoys golfing and spending time with his family.

###

Static Control is the largest manufacturer of aftermarket imaging systems and components supporting cartridge remanufacturers within the global laser and ink jet industry. Sales and distribution facilities are located worldwide. Research, development, engineering and manufacturing as well as global distribution are located at Static Control’s world headquarters in Sanford, North Carolina, USA. Static Control manufactures in-house more than 10,000 imaging products and offers a product catalog of more than 14,000 imaging products to the aftermarket industry.
