Sai Baba Business Machines Selected as Official Distributor for Static Control in India

SANFORD, N.C. – (September 12, 2016) – Static Control has announced Sai Baba Business Machines as the authorised distributor for the Indian market, effective from August 1. Sai Baba Business Machines will service five districts of India, including Tamil Nadu, Andhra Pradesh, Karnataka, Telengana and Kerela.

“We are very proud to announce Sai Baba Business Machines as our official distributor in India. We recognise Sai Baba as a leading imaging provider and an exceptional example of dedication and expertise within the Indian industry,” said Iqbal Azmi, Static Control’s Sales Manager for India.

“With this relationship, we can combine our resources to offer quick delivery, ample local inventory and dedicated regional customer support. We look forward to working together, and to helping the imaging industry in India to flourish with this latest development.”
